TESTING ENVIRONMENT AND ADMINISTRATION

All secure exams must be administered in a proctored environment unless otherwise directed. A breach of a secure exam could result in the invalidation of exam scores for individual students or for all the students taking the exam. In addition, if a school does not adhere to the NLN Test policies and procedures, it will not be allowed to offer NLN Exams in subsequent years and may be held liable for financial damages incurred by the NLN.

Contact the NLN Customer Service Center if you have any questions about test administration, or if you encounter technical difficulty.

Calculator Use

The Nursing Pre-Admission Exam and NACE Exam Series have been normed with the use of calculators being permitted. It is at the SON discretion to allow calculator use, though calculators are no longer prohibited by the NLN.
